Child Care

Who Are We?

Little Learners Child Development Center is a licensed child care facility providing free child care for the working parents of Our House. We also provide child care for community children at a low weekly rate. DHS child care vouchers are accepted as well. We provide a structured daily schedule which includes time for lessons, music, art, large and small motor development, and outdoor play! A healthy breakfast, lunch, and snack are served daily as part of our Special Nutrition Program. We also offer speech and occupational therapy to all children who qualify.

Volunteer

Volunteers are needed every day! We would love to have you join our team and spend part of your day caring for the children at our center. Volunteers are needed to rock babies, read books, do arts and crafts projects, and play games.

Volunteers with special skills are also needed for larger facility projects. If you or your organization are interested in donating or installing carpet, replacing or fixing leaking windows, painting and redesigning our kids café, or can contribute your professional plumbing or electrician skills, please call us today!

Parents

To register children, parents can see Mindy Shelby in Little Learners Monday-Friday between noon and 2 p.m. All you need to get started is your child's updated shot record.

Donate

Both monetary and in-kind donations are welcome Monday-Friday 8 a.m. to 4 p.m. Some of the items we always need are

- Diapers: sizes 2,3,4,5, and 6
