After School

Who Are We?

Our Club is a free after-school program for homeless and low-income youth ages 6 to 17. The four main components of our program are Education and Life Skills, Health and Physical Fitness, Cultural Enrichment, and Community Service. We provide a safe, consistent, comfortable environment for our children to grow and learn in a home away from home.

Our House's Our Club program provides school-age children a safe place after school to learn basic life skills and receive one-on-one attention. The staff and volunteers embrace every day as an opportunity to provide fun learning experiences for children.

Ages

6 to 17 years

Hours of Operation

Monday-Friday

2:30 p.m. to 5 p.m.

Location

302 E. Roosevelt Road
Little Rock, Arkansas

(Education Building at
the bottom of the hill on
the Our House campus)

Volunteer

Volunteers are needed every day! We need tutors every day to help kids with homework and reading. We would also love to have you join us to share a special skill or talent with our kids. Music, cooking, foreign language, and art are just a few projects the kids enjoy after a long day at school. You can volunteer individually or with a club or group from your workplace, college, or community.

Donate

Both monetary and in-kind donations are welcome Monday-Friday 8 a.m. to 4 p.m. Please bring them to the Our Club room in the Education Building.

Some of the items we always need are:

- Board games and card games
- School-age bikes and scooters
- Children's clothing and shoes
- School, art, and science supplies
- Cleaning supplies

Parents

For more information about Our Club and to register children, parents can see Mindy Shelby in Little Learners (in the Education Building on the Our House campus) Monday-Friday between noon and 2 p.m. Space is limited, but we would love to add you to our waiting list if we are full.
