Permanent Housing

Who Are We?

Our House provides our Shelter and Family Housing residents with access to permanent housing opportunities and services through our Permanent Housing Program. This program works with landlords and rental companies to find and place homeless families and individuals into safe, clean, affordable housing as they exit our on-site programs. This completes the Our House experience in that it assists the homeless individual or family in reentering society as a productive, contributing member.

Residents enter the Permanent Housing Program after having found full-time employment, saved a large portion of their income, learned life skills, addressed substance abuse, mental health, legal, financial, and domestic violence issues, and gained the tools needed to maintain life in their own home.

To be considered for entry into Our House's Permanent Housing Program, the participant must first reside in Our House's Shelter or Family House.

The resident must

- Have a steady full-time job
- Have money in savings
- Have extensive participation in Our House programs
- Show a willingness and potential to succeed outside of Our House

If you are a resident of Our House and would like to be considered for the Permanent Housing Program, please submit your request in writing to the Housing Coordinator. The Housing Coordinator's office is located in the Shelter offices.

Location:

302 E. Roosevelt Road
Little Rock, Arkansas

The Program

Little Rock Housing Authority Housing Choice Vouchers

LRHA has set aside six of their Housing Choice Vouchers for Our House to designate to specific clients who have need and have done exceptionally well in our programs. The client maintains this voucher until they give it up or until they no longer qualify for the voucher. Housing voucher recipients still receive supportive services from Our House.

Referrals to other voucher programs

Our House can refer clients who qualify to other permanent housing programs sponsored by other agencies. These agencies include Little Rock Community Mental Health Center and VA. They work with the partnering agency to find and pay for housing while receiving continued support from Our House.

Homeless Prevention and Rapid Re-Housing (HPRP)

This allows us to assist Our House residents as well as other currently homeless individuals and families with rental and utility payments for up to 18 months. Referrals to the HPRP program for non-Our House residents must come from another area housing or social service program.

General Permanent Housing Placement

For residents who do not qualify for other programs, Our House is able to connect its residents to fair, reputable, and affordable landlords and housing through our extensive partnerships with the housing community. It is often intimidating to venture from a shelter into permanent housing, but with the help of Our House, our residents are able to make that transition.

Volunteer & Donate

You can help by:

- Helping someone move their belongings into their new home, providing transportation
- Mentoring a family or individual
- Preparing and serving a meal at an Our House Alumni meeting
- Donating furniture and other household goods to families moving into Permanent Housing

Are you a landlord or an owner of property? Please contact us to find out how you can use your property to assist a hard-working formerly-homeless family or individual. We are always looking to expand our ability to provide safe, clean, and affordable housing choices for our clients.
