These news stories show that Our House has been there for Bunnie—to help her in her time of greatest need. And that has been possible because of support from people like you.

So, please feel free to email links about these stories to friends and colleagues whom you know have supported Our House in the past. It's because of our great volunteers and donors that Our House is able to do what we do. Thanks to each of you for your tremendous contribution to helping the homeless.

Thank you for your commitment to serving others.

Yours,
